VB Lab Instruction for Researchers

Drafted by the VB Lab Founding Committee at the Duke Kunshan University, approved by the VB Lab founding director on the date of 10/25/2020.

Researchers interested in collaborating with VB Lab for conducting experiments should complete the following:

1. Project Approval from VB Lab Committee

The principal investigator should contact VB Lab by dku-vblab@dukekunshan.edu.cn to show interest in the partnership of research projects. VB Lab shall arrange a project briefing meeting for further discussion. Contingent on Mutual Agreement and the ethical approval from Duke Kunshan University, VB Lab shall inform the principal investigator by email of the project approval. Once the project is approved, the principal investigator can start to schedule experiments.

2. Ethical Approval from Duke Kunshan University

The principal investigator should submit an ethical approval from the IRB committee to VB Lab by dku-vblab@dukekunshan.edu.cn. Please contact irb@dukekunshan.edu.cn for the latest application form.
